

Team Mikey Strong 23 is a group of friends and family members that have been galvanized to support the recovery of Michael Nichols. Mike is a 17 year old Monroe Township High School senior who suffered a C-5 fracture and spinal cord injury on January 4, 2014 during a high school hockey game. Mike has a burning passion for the game of hockey and had plans to attend college and continue his play at the collegiate level this fall. While Mikey's injury has made us re-examine these goals, Team Mikey Strong 23 remains focused on Mike's rehabilitation to ensure that every goal he sets has the opportunity to become a reality.

Mikey is a fighter at heart and has always welcomed the challenges that he faced – we are confident that this will be no different.

On Tuesday June 24, 2014, at the Royce Brook Golf Club, friends and family of Mikey Nichols will be hosting a golf outing to benefit Mikey and his family. All proceeds from the outing will go to the Nichols Family in an effort to offset the mounting costs they have incurred and will incur during Mikey's road to recovery. We can not only "Pray for Mikey" as so many have done, but we can also show our support for Mikey by taking part in the many fundraising efforts that our great community has offered.

Mikey was hospitalized at Morristown Medical Center for five and a half weeks after sustaining his injury. In February, Mikey was transferred to the Kessler Institute for Rehabilitation where he began the next stage of his recovery. Mikey and his family have a challenging journey ahead and can use everyone's support.

The Golf Outing will be held at Royce Brook Golf Club on June 24th at 9AM followed by lunch reception. There will be a Prize Table featuring many great items with the proceeds going to Mikey and his family.

Individual or corporations who wish to sponsor or participate in the event can find more information at:
