Your benefits. For living better.

Annual Enrollment begins October 9 and ends October 18 at 11:59 PM Eastern time.

This guide reflects the terms that were agreed upon in the labor contracts. Read it carefully to ensure you are aware of what is changing on January 1, 2019. The guide is meant to summarize the main points of your benefit plans. More detailed information about these plans is included in the Summary Plan Descriptions (SPDs) and corresponding plan and/or insurance documents (for example, Summary of Material Modification) under the Library page on BenefitsConnection.

2019 Annual Enrollment

Enrollment is simple.

Go to verizon.com/benefitsconnection. From the home page, in the Annual Enrollment section under Suggestions for you, select **Enroll Now**. From there, you can update your tobacco user status, add or drop dependents and verify your beneficiaries.

Your tobacco user status, Health Assessment credit and spending account contributions will also automatically carry over into 2019.

To print a confirmation statement, go to [BenefitsConnection](#) > [My benefits](#) > [Health & Insurance](#) > [View Next Year's Coverage](#) > [Print](#).

Qualified life events

Annual Enrollment is generally the only time during the year when changes can be made to your benefits coverage, unless you have a qualified life event such as the birth of a child or marriage.

If you have a qualified life event between now and the end of the year, you will need to make any necessary changes on [BenefitsConnection](#) for both 2018 and 2019.

2019 Changes

Prescription drug coverage

Your annual prescription drug mail order out-of-pocket maximum for the MEP HCP medical plan is changing, as outlined in the chart below. There are no additional changes to the prescription drug program in 2019.

At a glance – prescription drug changes		
Plan provision	2018	2019
Annual mail order out-of-pocket maximum (MEP HCP medical plan option only)	\$833.71 per person	\$883.73 per person

If you're enrolled in a Geisinger Health plan, please reference your plan documents or the Health Plan Comparison Charts for more information regarding the prescription drug program.

Consistent with prior years, Express Scripts will be making changes to their prescription drug formulary effective January 1. Certain drugs may be excluded from the formulary. In most cases, if you fill a prescription for one of these drugs without adhering to the formulary, you will pay the full retail price. Also, other drugs may change between preferred and non-preferred status. If you fill a prescription for a non-preferred drug you will pay a higher cost than if you switched to a preferred drug. Express Scripts will notify you directly if you are taking one of these drugs. A list of the excluded drugs for 2019 can be found on the Express Scripts member website, [express-scripts.com/2019drugs](https://www.express-scripts.com/2019drugs). Please contact Express Scripts for additional details.

2019 Medical plan costs

Your medical plan option contributions are changing. Below are the monthly medical plan contribution amounts for 2019.

¹Contributions are based on employees scheduled to work 25 or more hours per week. If you are scheduled to work less than 25 hours per week, please go to BenefitsConnection for your contribution amounts.

If you have not already done so, you can reduce your medical plan contributions by certifying that you and your covered dependents do not use tobacco products and completing an online Health Assessment. If you think you might be unable to meet the wellness plan standard for a tobacco credit, you may be able to earn the same reward by different means. Contact the Verizon Benefits Center at 855.4vz.bens and we will work with you (and if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

Take the 10-minute Health Assessment and save \$100

If you haven't taken the Health Assessment in the past, take ten minutes of your time now and save \$100 in medical coverage contributions for the upcoming year (pro-rated if you take it after Annual Enrollment). Plus, you'll receive a detailed report about your personal health risk factors and a plan to reduce or eliminate them. If you took the Health Assessment prior to 2018, we encourage you to update it annually to receive valuable information about your current health status.

Go to [BenefitsConnection > I want to > Take My Health Assessment](#).

Health Reimbursement Account (HRA)

In accordance with the labor contracts, any unused HRA balance as of December 31, 2018 will be forfeited. In addition, per plan rules, you must first exhaust your 2018 HCSA balance before you can use your HRA balance to obtain reimbursement for claims. You have until March 31, 2019 to submit claims incurred through December 31, 2018 in order to exhaust your HRA balance. HRA claims with a date of service after December 31, 2018 will be denied.

Dental and vision coverage

There are no changes to the dental and vision plan options for 2019.

No Coverage option for medical, dental and/or vision

If you are currently an active employee in No Coverage for medical, dental and/or vision, and you make no changes during this Annual Enrollment, your No Coverage election for medical, dental and/or vision will carry over for 2019. However, if you want coverage, including Minimum Essential Coverage (MEC), the type of coverage that can help you avoid a penalty under the Affordable Care Act's individual mandate, you must make an affirmative election during Annual Enrollment.

If you have coverage today and would like to waive coverage for 2019, you need to choose No Coverage during Annual Enrollment. If you choose No Coverage, you cannot enroll in coverage during 2019 unless you have a qualified life event or as otherwise required by law.

Spending accounts

For 2019, the annual maximum contribution amounts are as follows:

- Health Care Spending Account: \$2,650
- Dependent Day Care Spending Account: \$5,000

As an active employee, unless you make an active election during Annual Enrollment to change your contributions, your current 2018 spending account elections will automatically carry over to 2019. If you are an active employee considering changing the amount you contribute, you may want to use the My Spending Account Calculators feature on BenefitsConnection. From the BenefitsConnection home page, under I want to, select See Next Year's Health Plan Comparison Charts > My Spending Account Calculators.

Important note: According to IRS regulations, you must use all the money in your spending account each plan year for eligible expenses or it will be forfeited. Verizon allows you to incur expenses until March 15 of the following plan year. You have until May 31 of the current plan year to submit claims from the prior plan year.

COBRA Health Care Spending Account (HCSA)

If you are currently contributing to a COBRA HCSA, you can continue to contribute through the end of the calendar year (December 31, 2018) of your COBRA qualifying event. However, you cannot elect a COBRA HCSA for the 2019 plan year. You must submit all claims by the claim filing deadline of May 31, 2019 or any balance will be forfeited.

Important reminders

You should consider the following valuable information when reviewing and updating your coverage.

Adding a dependent to coverage

To enroll a spouse or a dependent into coverage during Annual Enrollment, or as a result of a qualified life event that occurs during the year, follow the prompts to add a new dependent and select the appropriate dependent relationship.

You will need to provide documentation to verify eligibility. Instructions for completing the dependent verification will be sent to both your work email and home address on file after you have enrolled your dependent.

If you do not submit proper documentation in a timely manner, your dependent will be dropped from coverage.

Having an ineligible dependent enrolled in your Verizon coverage may result in disciplinary action.

Dependent coverage age limit

Medical

A dependent child is eligible for medical coverage through the end of the month in which he/she attains age 26 regardless of student status. Coverage may be extended beyond age 26 for a dependent child who meets the conditions of being disabled.

Dental and vision

In order for a dependent child to be eligible for dental and vision after the end of the calendar year in which he/she attains age 19, he/she must be a full-time student at an accredited institution, or meet the conditions of being disabled.

Dental and vision coverage can continue through the end of the calendar year in which a dependent child attains age 25 as long as the child maintains full-time student status. If the child is between the ages of 19 and 25, is not a full-time student and does not meet the conditions of being disabled, you must remove him/her from dental and vision coverage during Annual Enrollment.

If you would like to continue coverage for your dependents through COBRA, please contact the Verizon Benefits Center at 855.4vz.bens (855.489.2367) by December 31, 2018.

Similar to last year, Verizon will work with the National Student Clearinghouse in early 2019 to confirm student eligibility for dependents between the ages of 19 and 25 that are enrolled in dental and/or vision coverage. If full-time student status cannot be verified, instructions will be sent to both your work email and home address on file. If you do not comply with the instructions provided, your dependent will be dropped from dental and/or vision coverage.

Child Life Insurance and Child AD&D Insurance

You may cover a dependent child for child life insurance and child AD&D insurance through the end of the month in which he/she attains age 26 regardless of student status. Coverage may be extended beyond age 26 for a dependent child who meets the conditions of being disabled.

The child life insurance and child AD&D insurance plans cover all of your eligible dependent children. You are responsible for updating your election if your previously eligible dependents no longer meet these eligibility requirements.

Life and Accidental Death & Dismemberment (AD&D) Insurance

Take the time to assess your current insurance needs. They can change from year to year, especially if your family dynamic or lifestyle has changed.

Verify your beneficiary information

It's important to verify that your beneficiary information on BenefitsConnection is both accurate and up to date. In the event of your death, the insurance plan administrator will pay proceeds based on your beneficiary information on record.

Supplemental Life Insurance rates

The rates for an active employee with supplemental life insurance and spouse life insurance are based on age ranges. As you and your spouse age and move into a new age band, your costs could increase. Your costs for 2019 are based on age as of December 31, 2019.

Retiree medical contributions

Your contributions depend on your retirement date, your net credited service date and the medical plan option you select.

For all retirees who retired after January 1, 1992 with a net credited service date before August 3, 2008

The 2012 labor contracts provide for limits on the amount the Company will contribute toward retiree medical coverage in 2016 and later plan years. These limits are referred to as retiree medical caps, which are listed below. The retiree medical cap limits were not changed by the 2016 or 2018 labor contracts.

Retiree medical caps				
Coverage category	MEP HCP (pre-Medicare)	MEP HCP (Medicare)	All other plan options (pre-Medicare)	All other plan options (Medicare)
Retiree Only	\$15,447	\$6,330	\$12,580	\$6,330
Retiree + 1	\$30,893	\$12,660	\$25,160	\$12,660
Retiree + Family	\$38,639	\$18,990	\$31,450	\$18,990

In the 2019 plan year, the cost of coverage of each of the plan options for Medicare retirees is less than the applicable retiree medical caps.

In the 2019 plan year, the cost of coverage of the MEP HCP plan option for pre-Medicare retirees will not exceed the applicable retiree caps. The cost of coverage of the pre-Medicare EPO plan option will exceed the applicable retiree medical caps, and this excess amount over the retiree medical caps is greater than the annual minimum contribution for the EPO for all retirees. The cost of coverage of the NY/NE pre-Medicare HMOs will either not exceed the retiree caps, or will exceed the retiree caps by an amount not greater than the minimum retiree contribution applicable to that plan option.

Consistent with the labor contracts and the previously described provisions, the 2019 retiree medical contributions that are payable each month for post-January 1, 1992 retirees are as follows:

2019 Pre-Medicare MEP HCP monthly retiree contributions		
Coverage category	Retired before January 1, 2013	Retired on or after January 1, 2013
Retiree Only	\$0	\$39.33
Retiree + 1	\$0	\$67.42
Retiree + Family	\$0	\$67.42

2019 Pre-Medicare EPO and NY/NE HMO monthly retiree contributions		
Coverage category (retired before, on or after January 1, 2013)	EPO	Other NY/NE HMOs (varies by plan option)
Retiree Only	\$235.17	\$137.50 – \$165.00
Retiree + 1	\$470.33	\$208.33 – \$250.00
Retiree + Family	\$587.92	\$275.00 – \$330.00

2019 Medicare-eligible monthly retiree contributions		
Coverage category	MEP HCP and HCN Advantage Plan options	NY/NE HMOs
Retiree Only	\$0	\$20.00 – \$82.50
Retiree + 1	\$0	\$34.00 – \$125.00
Retiree + Family	\$0	\$34.00 – \$125.00

In plan years after 2019, additional plan options may exceed the applicable retiree medical caps and require contributions pursuant to the caps. If you would like more information about the retiree caps and how they affect retiree contributions, go to [BenefitsConnection > Library > Documents for all retirees > Retiree Medical Contributions Supplemental Guide](#).

For retirees with a net credited service date of August 3, 2008 or later (and did not previously qualify for Company-provided retiree medical benefits)

For the 2019 plan year, the Company will provide the following contributions toward the cost of retiree medical coverage for eligible retirees:

- **Not eligible for Medicare:** \$480 for each full year of net credited service that commences on or after August 3, 2008, up to a maximum of 30 years
- **Medicare-eligible:** A reduced amount that is not less than half of the amount provided for pre-Medicare retirees with the same net credited service

Additional information

To be eligible for retiree medical benefits, you must meet applicable retirement eligibility requirements (30 years of net credited service; 25 years at age 50; 20 years at age 55; 15 years at age 60 or 10 years at age 65). Retiree medical benefits are subject to change in the future.

The health benefits available to you provide important protection for you and your family in the case of illness or injury and choosing a health benefit option is an important decision. SBCs are being made available in addition to other information regarding your health benefits including Health Plan Comparison Charts which also can be found on BenefitsConnection.

Americans with Disabilities Act (ADA) notice regarding wellness program

The wellness program offered to you by Verizon is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008 and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program, you will be asked to complete a voluntary Health Assessment that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (for example, cancer, diabetes or heart disease). You are not required to complete the Health Assessment.

However, employees who choose to participate in the wellness program will receive an incentive of \$100, which will be used to reduce your medical premiums. Although you are not required to complete the Health Assessment, only employees who do so will receive the \$100 medical premium reduction.

The information from your Health Assessment will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as a voluntary health coaching program. You also are encouraged to share your results or concerns with your own doctor.

Protections from disclosure of medical information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Verizon may use aggregate information it collects to design a program based on identified health risks in the workplace, the wellness program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individuals who will receive your personally identifiable health information are a registered nurse, a doctor or a health coach in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted and no information you provide as part of the wellness program will be used in making any employment decision. The confidentiality of medical information will be maintained in accordance with Verizon policies and procedures. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate. If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact the Verizon Benefits Center at 855.4vz.bens (855.489.2367), and indicate that you have a question or concern regarding this notice.
