

**TELL
THE SENATE
TO DO
IT'S JOB**

SO YOU DON'T LOSE YOURS!

The U.S. Senate must confirm 5 bipartisan National Labor Relations Board members before they leave on their month-long August vacation.

A few examples that could cost YOU your job include:

- Talking about your salary or boss on Facebook
- Trying to improve your workplace with your coworkers
- Attempting to organize a union

The NLRB is protecting these rights and more for 80 million workers.

Call 1-888-966-9824 to tell your Senator to “give me five NLRB members.”

And Text “NLRB” to 69866 to join the fight!
